# BACKFLUSH CLEANING PROTOCOL

# CLEANING PROTOCOL FAQ

Q: HOW OFTEN SHOULD I BACKFLUSH MY MACHINE?

A: You should backflush your machine every  $\pm 2$  weeks.

Q: WHAT PRODUCT DO I NEED FOR BACKFLUSHING

A: Use Caffè Lindo or similar product.

Q: IS BACKFLUSHING THE SAME AS DESCALING?

A: No, backflushing cleans out the brew group which is for your machine but also for a good tasting cup of coffee.

Q: HOW OFTEN SHOULD I DESCALE MY MACHINE?

A: You should descale your machine every 4 months.

Q: CAN I USE VINEGAR FOR DESCALING?

A: We do not recommend using vinegar or any other liquid descaler.
